Service - 1991

Elmer Wetzel began bowling in 1939 and began league bowling in 1940. He purchased a six (6) lane bowling center in 1943 in Dodge City. There he promoted league bowling and formed leagues for the local servicemen from the nearby Air Base during WW II. He sold the lanes in 1946, but never quit being active in bowling. He has bowled in a league every year since 1941 and hasn't missed a city tournament.

Elmer was elected to the Dodge City Men's BA as Treasurer in 1947, a position he held for forty-two years. He has helped promote the YABA leagues in Dodge City.

Elmer has bowled in many Kansas State Men's Tournaments, Senior's Tournaments and the last fourteen (14) ABC National Tournaments.
