

Joel Mumma  
Wichita  
KSBA Hall of Fame  
Performance / Service - 2011

Joel has been a solid fixture in Kansas Bowling for over 30 years and is not only a talented bowler but also a dedicated administrator. Joel grew up in Topeka and was a dominated youth bowler at Gage Bowl. When he was a child growing up, he used to take things out of his mother's cupboard and line them up like a set of pins to "knock em down".

Joel moved to Wichita in the late 1970's and quickly displayed his bowling prowess in winning several association tournament events. He served on the local board for over 20 years. He was elected to the Great Plains USBC Hall of Fame in 2009. Joel is one of those rare individuals as he not only serves the bowlers; he is also a very proficient bowler himself. He has somewhere around 14-300 games, 8-800 series and the number grow each year. He has been a champion at the Local, State and Regional Level in bowling.

Joel continues to serve the sport of bowling as the President of the Kansas State USBC Bowling Association. To those who know bowling in Kansas, the name "MUMMA" and bowling are synonymous with greatness!
