

Pam Wolf
Junction City
KWBA Hall of Fame
Service - 2012

Pam started bowling at the age of 10 and has been a member of the Kansas Women's Bowling Association for over 39 years. At the league level she has been secretary, sergeant-at-arms, and president. She served in the Junction City WBA as a director, sergeant-at-arms, treasurer, secretary and president. She was elected as a state delegate several times prior to being elected to the state board. She became a certified coach instructor in 1987, served on the Kansas YABA board as a representative for 18 years, vice-president for 4 years and as president for 4 years and was a youth representative on the Kansas State Bowling Council for 12 years. Once on the state board, Pam was a director for 10 years, 2nd vice-president for 3 years and 1st vice-president for 5 years.

In 2010, Pam resigned from all positions she was involved in. This was a hard decision to make but she felt that she could not dedicate the time she should to bowling with her mom in the nursing home and her dad in an assisted living facility. She continues to bowl and this year she is bowling in Manhattan so that she can bowl with her daughter Lisa and be closer to her newest grandchild. Bowling over the years with her mom and dad, her husband Lanny, her twin daughters Lori and Lisa and now her grandchildren, has always been very special and important to her. In her daughters' words "When we think of our mom and bowling these are the thoughts that come to mind: truly dedicated and supportive, a great promoter, knowledgeable, very involved, love for the sport and the people involved and everlasting friendships. Mom really cares and wants what is best for the sport. Not only have many people touched her heart but we feel she has touched many people's hearts as well."
