Wichita
KSBA Hall of Fame
Service – 1979

The years of service to bowling given by this man spans a greater length of time than many of us have been old enough to know what bowling was all about. He served the Wichita Men's BA for 2 years as President and 27 years as Secretary-Treasurer. He served the Southwest BA for a 2-year term as President and for 20 years as a director. He was the ABC Director for the State of Kansas for 16 years. He was elected and inducted into the Wichita Men's BA Hall of Fame. Not only did this man give many years to the furtherance of bowling but his influence was felt over a vast area due to his activities with Southwest Association and the post as ABC Director. In addition to his interest in the sport of bowling, he was an avid baseball fan and worked long and hard to promote the National Baseball Congress and its annual tournament in Wichita.
