

* Robert "Bob" Harp
Arkansas City
KSBA Hall of Fame
Performance - Posthumously (9/20/2006) - 2008

Bob had been bowling since the age of 19 and touched many lives while doing so. Bob was a husband, father, father-in-law and grandpa. He was the one person that got his family interested in bowling. Knowing the bowling alley was going to be open that day would make Bob have a much better day if he was having a rough one. Bob used bowling as a way to spend time with the ones he loved. Bowling in 2-3 leagues, he won many awards. He has many trophies, patches, and plaques.

Bob bowled his first 300 game in Wichita, Kansas on the travel league. Bob also had one 298 game, two -299 games, four-300 games, has nineteen 700 patches, two- 800's (833 and 823), forty-six first place league champion patches dating back to 1959-1960. There are so many other awards that he won but all these awards demonstrate how much Bob was dedicated to the sport.

Bob was inducted into the Arkansas City BA Hall of Fame in 1999. Bob was also, a leader and mentor of the youth bowlers. Even today, mostly all are still bowling while hearing Bob in their mind telling them what to do.
