Performance – 2022**

Terri's older brother Mike, 9 years older, and Terri both bowled in the AJBC youth league at Southwest Bowl and had terrific coaches. The most influential for Terri were Adam Etzel and Harold "QC" Adams. It was at age 6 on a trip to Oskaloosa for her brother to bowl in the Ks State Youth Tournament that Terri got her first bowling title. One of the bantam bowlers couldn't make it to the tournament, so a tournament official asked Terri's mom if she bowled. Her ball happened to be in the trunk so she subbed in Team Event and ended up winning the Bantam Girls Singles title.

Terri has been a bowler in Kansas for the past 44 years between AJBC and WIBC. Terri's highest average was 222 with 87 games bowled in the Ladies All City League, she also maintained an average of 221 with 99 games bowled in the Riney Rinehart/Bud 3 Man Scratch league. Both of these leagues were at Gage Center Bowl in Topeka, KS.

Terri has also rolled four (4) perfect games of 300 with her highest series being 802. Topeka achievements include eight time Bowler of the Year (6 consecutive years) two time winner, 29 appearances. Top Ten Tournament: Gage Center Shoot Out Champion once out of ten appearances.

Terri also served on the Topeka Women's Bowling Association's Board of Directors for a two year term.
