First City of Kansas USBC – Basehor, KS

**Kansas State USBC Hall of Fame
Pioneer - Superior Performance – 2024**

Eddie started bowling at the age of 10 back in 1954. In Eddie's spare time he enjoyed playing guitar in the rock band Avantis, specializing in oldies music from the 50's and 60's. After high school, Eddie joined the U. S. Navy, serving on the USS Coral Sea - CVA 45 from 1961 - 1963.

Eddie married his wife of 57 years, Linda on August 27th, 1966. To this union 2 children were born, 6 grandchildren and 5 great grandchildren.

Eddie joined ABC/USBC, 41 years ago in 1984, and is a long time member of the Kansas State Bowling Association / USBC. He joined Wy-Jon County BA / USBC in 1991 and First City of Kansas / Leavenworth in 1995.

Eddie has excelled in the sport of bowling since 1984 and since 1999 has been recognized as one of our high-caliber Senior bowlers in the Kansas City area. Over the years, he has won multiple monthly sweepers, bowled multiple honor scores and was the Wy-Jon All Events Champion in 1994 and again in 1996.

What we find most impressive is that as a Senior bowler, Eddie remains consistent and still competes at a high level across multiple bowling centers and lane conditions! Eddie currently bowls 5 days a week and shows no signs of slowing down!
