Wy-Jon County USBC – Basehor, KS

Kansas State USBC Hall of Fame  
Superior Performance – 2024

My fellow bowlers, I am honored to have been selected to be inducted into the Kansas State USBC Hall of Fame for 2024. This honor is especially bittersweet for me because my grandfather, John Crocker, was inducted into the Hall of Fame thirty (30) years ago in 1994.

I was born on November 5, 1968 in Kansas City, Kansas and have an identical twin brother, John. Even to this day, most people still have a difficult time telling us apart.

My main love in life is my family; my lovely wife, Becky, and our sons, Michael and Bryce. Both Becky and Bryce enjoy the sport of bowling and compete in leagues and tournaments throughout the year.

I have been an ABC/USBC member through the Wy-Jon County USBC Association for more than 25 years. More recently, I have also become a member of the Greater Kansas City MO USBC Association. I started developing my bowling skills as a youth in leagues at Sunset Bowling Center. My home center is KC Bowl, but I have competed in leagues at various bowling centers throughout the Kansas City area.

I have been fortunate to have achieved many accomplishments throughout my bowling career.
