## 2023 KANSAS STATE USBC YOUTH CHAMPIONSHIP TOURNAMENT RULES:

1. This tournament is certified and governed by all USBC Rules & Regulations.
2. The tournament is open to all Kansas State USBC youth members. Bumper bowlers are not eligible.
3. Competition will be handicapped based on 90% of 210.
4. JR Gold entry fee will be \$50 U18, \$40 U15, \$25 U12 with a 1:4 advancement ratio. JR Gold qualifying will be based on scratch all-events & will consist of a boys & girls event. The 6 game D&S score will be used to break any & all ties. If there aren't enough bowlers in a gender only division we will mix genders to advance bowlers. Must be a JR Gold member.
5. Multiple entries are allowed. May only place once per event. If bowling more than once will be placed in the spot that place the highest. All-events based on first events bowled.
6. Bowlers entering doubles must bowl singles & vice-versa. Singles is bowled first.
7. Entry fee will be \$25.00 per person per event for team, doubles & singles. \$5.00 handicap all-events fee is optional & will be 100% committed to scholarship fund. The breakdown for team, doubles & singles is as follows: Lineage \$10.00, awards \$2.00, scholarships \$10.00, expense fee \$2.00, state fee \$1.00. KS State USBC will add \$2000.00 to the scholarship fund this year.
8. The deadline for entering will be November 3, 2023.
9. Averages will be determined as follows (in order shown):
  - A. Highest final certified average for the 2022-23 season of 21 games or more or current certified average of 21 games or more as of November 1, 2023. Must use whichever is highest.
  - B. All other Kansas USBC youth members may enter with a 210 scratch average.
10. Substitutes will be allowed in all-events except the JR Gold qualifier. When a substitutes average changes the division of the team or doubles, that change will be made automatically. Substitutes must take the place in the lineup of the bowler they are replacing. Substitutes in singles & all-events will compete in their own age/average division.
11. When a bowler arrives late, they must begin bowling in the frame being bowled on their assigned pair of lanes & will receive zero pins for the frames they have missed.
12. Teams & doubles may be mixed in any way. In the singles and all-events the girls will compete with the girls & the boys will compete with the boys. JR Gold will be girls vs girls, boys vs boys if there are enough entries to do so. If not they will be mixed by division.
13. This tournament will follow USBC Rule 301b: Bowlers are not allowed to wear hats, play coin-operated amusement devices, use tobacco products, use foul language or gestures or wear apparel or use bowling equipment depicting alcohol, tobacco, an illegal substance or inappropriate language/gestures during competition. Bowler violating this rule will be given one warning and then will be removed from the tournament & the bowling center.
14. Check-in time will begin 1 hour prior to squad time in each event.
15. Symbolic & scholarship awards will be awarded based on a 1:4 ratio or any fraction in each division in each event.
16. Results for this event as well as all our events will be posted on our website [www.bowlkansas.com](http://www.bowlkansas.com) and on the Kansas State USBC Facebook page.
